Trolley Tour of the Wilmington Port

Thursday, Sept. 19, 2019

With Bethany Welch - Port Communications Manager

You are invited to join us for an exciting tour of the Wilmington Port. The tour of the Port of Wilmington encompasses the marine terminal's 284 acres and provides valuable insight into North Carolina Ports' operation. The tour enables visitors to get a first-hand look at terminal operations including truck interchanges, yard operations for both containers and general cargo as well as vessel operations for both containers and general cargo. Participants will also receive a brief overview of NC Ports' history and its commitment to enhancing the economy of North Carolina.

- ✓ All tours of the Port of Wilmington are non-walking.
