

Cape Fear Sail & Power Squadron

The mission of the Squadron Emergency Response Assistance Team is to render voluntary assistance to the local Fire and Rescue Department, local Police Department, State, Federal, United States Coast Guard and other Agencies in the event of a water related emergency. The duties of SERAT shall be to provide a team of qualified and experienced boaters with knowledge of the local waters that are willing to donate time and effort to assist in the event of an emergency. Such emergency may consist of a water rescue, water search and rescue, water related patrols and/or help in securing the area of the emergency. SERAT also performs tasks during non-emergency related incidents and planned events.
