USPS Distinctive Communicator Awards

Each year the United States Power Squadrons® Communications Committee reviews Squadron and District newsletters and websites and selects those which merit special recognition for sustained quality throughout the year that not only promotes life within the United States Power Squadrons® but also instills interest and inspires and encourages members of the public to take courses and join our organization.

This achievement is recognized with the Distinctive Communicator Awards logo. There is one award for newsletters and one award for websites and is intended to recognize those publications and websites that meet or exceed defined award criteria.

The Cape Fear Sail & Power Squadron has won the Distinctive Communicator Newsletter Award every year since it started in 2006. And, has won the Distinctive Communicator Website Award every year since it started in 2011.
